

The community integration questionnaire - revised

You can use this tool to help you think about how connected you are to your community.

What is the community integration questionnaire - revised?

The community integration questionnaire revised is a survey with 18 questions. You are asked to answer questions about activities you do:

- at home
- when you are in the community. This includes activities you do with other people
- where you work, volunteer, learn or study
- online, using the internet or phone apps. For example, email, FaceTime, and social networking sites like Facebook.

Your answers to these questions could help you think about your current and future goals, any support that you may require, including the option of using assistive technology for support.

How long will it take to answer all the questions?

It will take you around 10 to 15 minutes to answer all the questions on the community integration questionnaire.
